Write a letter to your legislator!

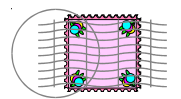

Passing pro-life laws is very important in every state. Pro-life laws protect unborn babies and pregnant women. As active citizens, it is our job to encourage legislators to pass these very important, life-saving laws. We can encourage them to do so by writing a letter. Here is a sample letter that you can use to create your own, personal letter to send to your legislator:

Dear Senator Smith,
Today, the right to life will be denied to 38 unborn babies in Minnesota! I am writing to ask for your support for all pro-life bills backed by Minnesota Citizens Concerned for Life. These laws will help to protect unborn babies and women.
Thank you,
Molly Anderson
